

# Finance Internship

You've already put a lot into your development – so your next step deserves proven results. Our internships produce leaders who shape #LifeAtATT over and over again. By building the experience around customized rotations, talented connections and exclusive learning opportunities, our entire team gets invested in making sure you have everything you need to get serious results. It's all part of bringing higher education to a whole new level.

## Career growth

An opportunity like this gives you the chance to gain Corporate Finance experience in core areas like Financial Analysis, Capital Planning, Treasury, Investor Relations and Operational Finance (just to name a few). It's an amazing way to see what it's like to be a financial leader and provide innovative solutions. The best part? You'll join a strong network of peers and mentors – all invested in helping you maximize your potential. That's just a snapshot of why Vault Inc. continually recognizes the Finance Internship as one of the top 10 internships in America.
